

Fact of Life -

It's more fun to do it your way than any other way. for example the Executive over an Individual artist is complete horse radish due to the shear fun of doing it for fun and not necessarily for the cash.

thus the Giveaways to German Musicians under a production and living standard EXP. although Drop Bass Network is American Hard Core, the key is theirs, Defunkt Fiji is the Greatest feel good hard to find masterworks of Early to Late House music fans. BPitch Control is and will be kind to the king...

that's why it's best to make it for a contemplation instead of a Pop fad.
